VIDEO SURVEILLANCE REQUEST

WCSSO video surveillance files captured in the pre-booking area may be requested by the arresting officer for official use. By signing this request form, you agree to permit WCSSO records staff to access the related law incident for the purpose of adding the surveillance footage of your incident to the files section of the Spillman law incident.

Once a video file is attached to the agency's law incident, it becomes the requesting agency's responsibility to retain and disseminate the record, in accordance with their own policies.
