Mobile Crisis Response

Victim Services provides mobile crisis response services at the request of law enforcement or victim's request.

We assist victims, witnesses, and their families after a crime or incident by providing the following services:

- *Crisis intervention with victims and families.
- *Referrals to supportive agencies, both public and private.
- *Liaison with Police Department and/or Prosecuting Attorney's Office. Information regarding the status of an investigation.
- *Support during court proceedings.
- *Notice of hearings and court results.
- *Assistance with Protective Order and Civil Stalking Injunction petitions.
- *Information and assistance with Crime Victim Reparation funds for qualifying victims of crime.

All services are FREE and
CONFIDENTIAL
